Welcome

A warm welcome to our 62nd National Jazz Festival brought to you once again by the Port of Tauranga.

The Tauranga Jazz Society are proud to present the National Jazz Festival and National Youth Jazz Competition. This year the festival fun begins with the National Youth Jazz Competition on 7 to 9 April and continues right through to Easter ending on Monday 21 April with the Jazz at the Mount event.

We are celebrating international artists and New Zealand's top jazz talent with concerts for every taste! Plus, lots of new events, along with favourites like the Jazz Village and Downtown Carnival.

We welcome the many hundreds of students who perform in the National Youth Jazz Competition, along with all the musicians, locals and visitors who attend the events.

Many thanks to our Principal Festival Partner, Port of Tauranga and Major Funders, TECT and the Tauranga City Council and all our other sponsors. Without their assistance this event would not be possible.

Enjoy the music!

Jeff Baker

TAURANGA JAZZ SOCIETY PRESIDENT

Tauranga Jazz Society proudly presents the Port of Tauranga 62nd National Jazz Festival JAZZ.ORG.NZ

Kia ora koutou,

On behalf of the Tauranga community, it's my pleasure to welcome you to the 62nd National Jazz Festival. This renowned event is deeply intertwined with our city's identity and serves as a cornerstone of Tauranga's vibrant arts and culture scene, bringing world-class performances to some of our iconic venues. This year's festival promises an exceptional lineup of artists, with performances spanning venues across our city. Enjoy the vibrant energy of the Downtown Carnival in the city centre showcasing our revitalised waterfront; amazing acts filling both the Addison Theatre and X Space venues at Baycourt; and of course, The Historic Village, home to the Jazz Village. Discover Jazz at the Mount at Porotakataka Park, and exciting new locations like The Cargo Shed and the Mount Hot Pools. Each setting offers a unique way to experience the magic of jazz.

Tauranga City Council is proud to support this significant legacy event, which not only celebrates the creativity and passion of the jazz community but also makes a meaningful contribution to our local economy. By drawing visitors, energising our streets, and supporting local businesses, the festival reinforces why Tauranga is such an exceptional place to live, work, play, and visit.

We're equally proud to champion the 47th National Youth Competition, bringing over 600 talented students from across Aotearoa to Baycourt in the lead-up to Easter. This event nurtures the next generation of musicians, providing a platform for young artists to learn, compete, and connect with peers and professionals. Please join us in celebrating this extraordinary event, which unites us all through the universal language of music.

Adrian Cox Trio [UK]

Makin' Runs

UK's internationally acclaimed clarinettist Adrian Cox presents "Makin' Runs" delving into the alternative ragtime repertoire from the early jazz era.

According to legend, "Makin' Runs" is a tune attributed to Buddy Bolden, heard by Bunk Johnson in New Orleans. The phrase symbolises Bolden's vision for inventive improvisations whilst never repeating himself.

Be entertained by this top-quality jazz trio as they craft tight yet dynamic arrangements that honour the music's original intent, allowing ample room for improvisational fire.
